

One Ireland
jobs, reform, fairness

In the next few years, everything will come under review.

Jobs, services and infrastructure. Vital decisions will be made on these issues over the next few years. We need somebody from Clondalkin in the room when these decisions are being made.

There's only one person you can trust, at this time, to look after the interests of Clondalkin.

One Ireland

Jobs Reform Fairness

Eamon GILMORE

I have one driving ambition in politics – to create an economy and a society that is fair, prosperous and sustainable.

The Labour Party is putting forward a new vision for Ireland. Our focus is on **Jobs, Reform and Fairness**.

I am confident that with strong leadership and innovative policies we can rebuild our economy. What's more we can build a better country – a country that cherishes all children equally, a country that values the contribution of the elderly, a country where family and community are given priority.

This is the most important election for a generation. You and your family have a vital decision to make.

Together we can get Ireland back to work. Together we can build a fair society. Now is the time to take our future into our hands.

I'm asking you to vote for your Labour team – Ní neart go cur le chéile

Eamon Gilmore, TD,
Leader of the Labour Party
