TOWARDS A NEW REPUBLIC / **DTRED POBLACHT NUA**

Ireland is a country in transition. People are struggling as a result of an economic disaster caused by greed and corruption. There have been huge advances as a result of the peace process. People can bring about change but we need to get back to core values based on the rights of citizens.

PEACE AND RECONCILIATION **SÍOCHÁN AGUS ATHMHUINTEARAS**

I cherish the relationship I developed with Ian Paisley and Peter Robinson. I will use the Presidency to continue building peace, bringing about national reconciliation and to see our nation united.

A RESPECTED VOICE INTERNATIONALLY **GUTH LAÍDIR IDIRNÁISIÚNTA**

I have been a strong advocate for Ireland on the international stage, both in the interests of peace and to secure investment. I have built strong relationships with US Presidents, British Prime Ministers and international leaders like Nelson Mandela.

UACHTARÁN NA hDAÓINE **THE PEOPLE'S PRESIDENT**

Déanfaidh mé Áras an Uachtaráin fáilteach do gach roinn de shochai na hÉireann, go háirithe iad siúd a bhí imeallaithe go dtí seo.

MY FAMILY **MO THEAGHLACH**

I couldn't have achieved all I have without the support of my wife Bernie, to whom I have been married for 37 years. We have four children – Grainne, Fionnuala, Fiachra and Emmet – and are proud grandparents of five. We live in the community where we were born and raised. If elected President I will only take the average wage.
