McGrath, Colm

Now more than ever we need experienced politicians with business acumen to stand up and represent the people. By adopting the outgoing Government's Four Year Recovery Strategy, Fine Gael and Labour have effectively neutralised Fianna Fáil in opposition. Destroying people's disposable income is counter-productive resulting in the closure of shops, pubs, clubs, hotels, hairdressers, etc. and other service providers, all of whom are tax collectors/Employers. Send the main parties a clear message about their tax hikes and social welfare cuts. As an Independent TD with years of experience as a businessman and politician, Colm McGrath is the right man for the job.
