

OUR COUNTRY FIRST

"Rabbitte is a political heavyweight, one of the outstanding politicians of his generation. He understands finance and he's not afraid of being unpopular."

Sunday Business Post

If ever there was a time in our recent history when our country needed strong politicians of national stature, it is now.

Pat Rabbitte is one such politician who has earned respect for his well-informed, intelligent and balanced contributions at national level.

Whatever its composition, the new Government will face enormous challenges. Economic recovery will need to be guided by experienced politicians not beholden to any vested interests or golden circle.

Labour wants to restore ethical leadership to Irish politics. Labour wants to put fairness at the heart of social and economic recovery.

MAKE SURE – Vote PAT RABBITTE No. 1
Vote No 2 Eamonn Maloney
