

# MITCHELL FOR PRESIDENT

---

UNDERSTANDS OUR PAST, BELIEVES IN OUR FUTURE.

Litir Um Thoghchán

FINE GAEL 

**I understand our past, I believe in Ireland's future, and if you give me your vote on October 27th, I pledge to work here and abroad to renew both our economy and our country's spirit.**

*Gay Mitchell*

### **A RECORD OF HARD WORK**

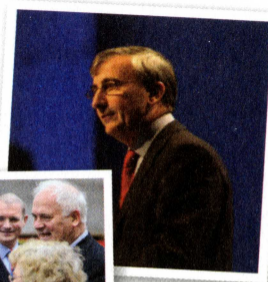

Ireland needs someone with experience to communicate our economic recovery abroad and expand our reputation. As a TD for 26 years and a member of the European Parliament for the past 7, Gay has experience making connections and being an ambassador for our country.

"As President, I will use my experience to help the Government bring foreign investment, especially from America and Asia, to get us out of the financial crisis and create more jobs. I will also do everything I can to foster and encourage the entrepreneurial spirit of our people at home."

### **MESSAGE FROM AN TAOISEACH, ENDA KENNY TD**

"I have known Gay Mitchell for over 30 years and throughout his time in public life, I have always known him to be the person to battle for better standards, particularly for the disadvantaged. He has an innate integrity that is valued by those that he has worked with and on behalf of. I have every confidence that a man of Gay's experience, energy and record of achievement is the right man to have as Ireland's next President."
