NEWSLETTER

Sunday 14th March 1999.

Sub. 30p

Mother's Day, the annual guilt-trip for neglectful spouses, and offhanded off-springs. Big dinner out, flowers, chocolates, and back to the old habits. "Sure a few droopy flowers and a box of roses and mammy is grand".

How would I like to celebrate Mother's Day? Forget it. Ban all gaudy cards with tacky verses, leave the box of roses and flowers where they are. Avoid the rush in the restaurant by going out on a day when mammy feels like it. But best of all, remember I'm your mother who picks up, coughs up, washes up, dishes up, listens, encourages, worries, and looks after your every whim, twenty four hours a day, seven days a week if need be.

In return you could smile now and again, share your laughter with me, pick up your own dirty socks. Pick up the towels after you in the bathroom. Put the lid back on the toothpaste, the gel, the after-shave, the body lotion, the shampoo. Leave the soap where I can find it, and go easy on the toilet paper, it costs a lot of money nowadays.

Don't dump school bags, football boots, dirty runners, and coats in the hall. Remove your dirty plates, cups, mugs, glasses cans stumps of half-eaten apples, orange skins, banana skins and sweet papers from the sitting room. Put the lid back on the butter, jam, marmalade, honey and sauce after you. Do not put empty milk cartons back in the fridge. Do not come in with a take-away when I have your dinner on the table. Switch off lights, close doors, and keep the music down.

Say thank-you now and again. Tell me I'm wonderful on a weekly / monthly basis.

Of course I'm wonderful, I'm your mother! But I need you to tell me and show it all year round, not just one day (if I'm lucky) out of three hundred and sixty five.

Love Mammy

P.S. Any chance you could get your own phone?

THANK YOU

A word of thanks to the two kind strangers who came to my aid on my way home from Lucan two weeks ago; took my bicycle and my shopping and myself and drove me home. Those two people have, to my way of thinking, "more flowers during life and less at the grave-side.

Again, thanks,

St. Patrick's Day Parade

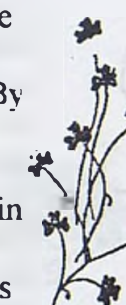

Last year's Parade through the Village saw an entry from the Library subcommittee which served to highlight the need for a Library in Lucan. This year there will be no such entry as hopefully all those in positions of influence are well aware of our requirements.

LUCAN HEIGHTS RESIDENTS

Hope you have found ideas on "Neighbourhood Watch" useful. This issue I outline two issues only as they are very important. Is your house number clearly shown? A clearly marked house number can save vital minutes for the Gardai to get there and more importantly the saving of a life for the Ambulance service. If you hear an alarm activated, do you phone the Gardai? What is a GAP? It is Global Action Plan whose goal is to enable all of us, as individuals to reduce our impact on the environment. How: By reducing the amount of waste we produce, the energy and water we use and our choices of Transport and Shopping goods. The Sth. Dublin Co. Co. is at present piloting the ECO TEAM programme aimed at these issues. The theme is "Think Globally", "Act Locally". Thank you. Keep it Clean. Keep it Green. Keep it Secure.

We send our deepest sympathies to the Carey family on the death of our friend Orla. We know that Orla is now cheering for United from the Upper Stand.

LUCAN TOASTMASTERS

Our last meeting was a great night altogether. Maura Coffey enthralled us with her Icebreaker, in which she described her wonderful life. Our Table Topics session had subjects as diverse as Monica Lewinsky and St. Patrick. The mind boggles!

Our next meeting will be a meeting with a difference, as it is our Speech and Evaluation Contest, in which we select the people to represent Lucan in the area contest. If you have previously been a guest at any of our meetings, or if you have never visited us before, now is your chance to see the old hands in action. We would like to see lots of people along to support the contestants.

So don't be shy. You will be among friends. We would love to meet as many guests as possible, who will be made to feel very welcome. Ask for Martin Sheridan, our sergeant-at-arms, or myself, Linda Fagan. Admission is free. If you need any further information, just ring me at 6281770.

HABERLIN, PATRICK – 2nd**ANNIVERSARY**

In loving memory of my beloved husband,
Patrick who died on 20th March 1997.
A tribute of love to a husband so dear
So close to my heart each day of the year
I still have memories to cherish and hold
Of a wonderful husband more precious than
gold.

Many a lonely moment, often a silent tear
But always beautiful memories
Of a husband I loved so dear.

Sadly missed by your loving wife Rosie.

Mass will be offered on Saturday, 20th March at
7.30pm in St. Patrick's Church, Esker.

HABERLIN – 2nd ANNIVERSARY

20th March 1997.

Dad, if only I could see you
For just a little while
To tell you that I love you
And see your precious smile
No matter how I spend my day
Regardless what I do
Before I close my eyes at night
I always think of you.

Sadly missed by your loving daughter Helen.

HOGAN, MARK – 1st MARCH

17th March. Never Forgotten

One year has passed,
And still our hearts
Are broken son, it's true.
There is not a moment that goes by
That we don't think of you.
So great the pain to us it is,
Such agony far too dear
So much we miss your gentle ways,
And good things we used share.
Your memory,
To us will be our strength to carry on
You'll never be forgotten
Although away you're gone.
We will love you and miss you more each
passing day.

Mam and Dad.

A dip in the archives...

4th July 1971

Power Cut: The break in the electricity supply in this area on Monday last was caused by a pet monkey! Barney the monkey, owned by Susan Megan of Leixlip was playing with some children when he climbed a 38KV transformer and was electrocuted. A large area was without supply for fifteen minutes as a result. Barney was something of a village pet and was often found in the Salmon Leap Inn sipping at a glass of beer and smoking a pipe.

(Ssssh..... let's hope the above power cut is the only one we'll be hearing about, given the ESB news at time of going to press!)

Lucan St. Patrick's Day Parade is celebrating its 9th year in existence. Good luck to all concerned, and we look forward to the Big 10 in the millennium year!

SPRING

Nothing is so beautiful a Spring –

When weeds, in wheels, shoot long and lovely
and lush.

Thrush's eggs look little low heavens, and
thrush

Through the echoing timber does so rinse and
wring

The ear it strikes like lightnings to hear him
sing:

The glassy peartree leaves and blooms, they
brush

The descending blue, that blue is all in a rush
With richness: the racing lambs too have their
fling.

What is all this juice and all this joy?

A strain of the earth's sweet being in the
beginning

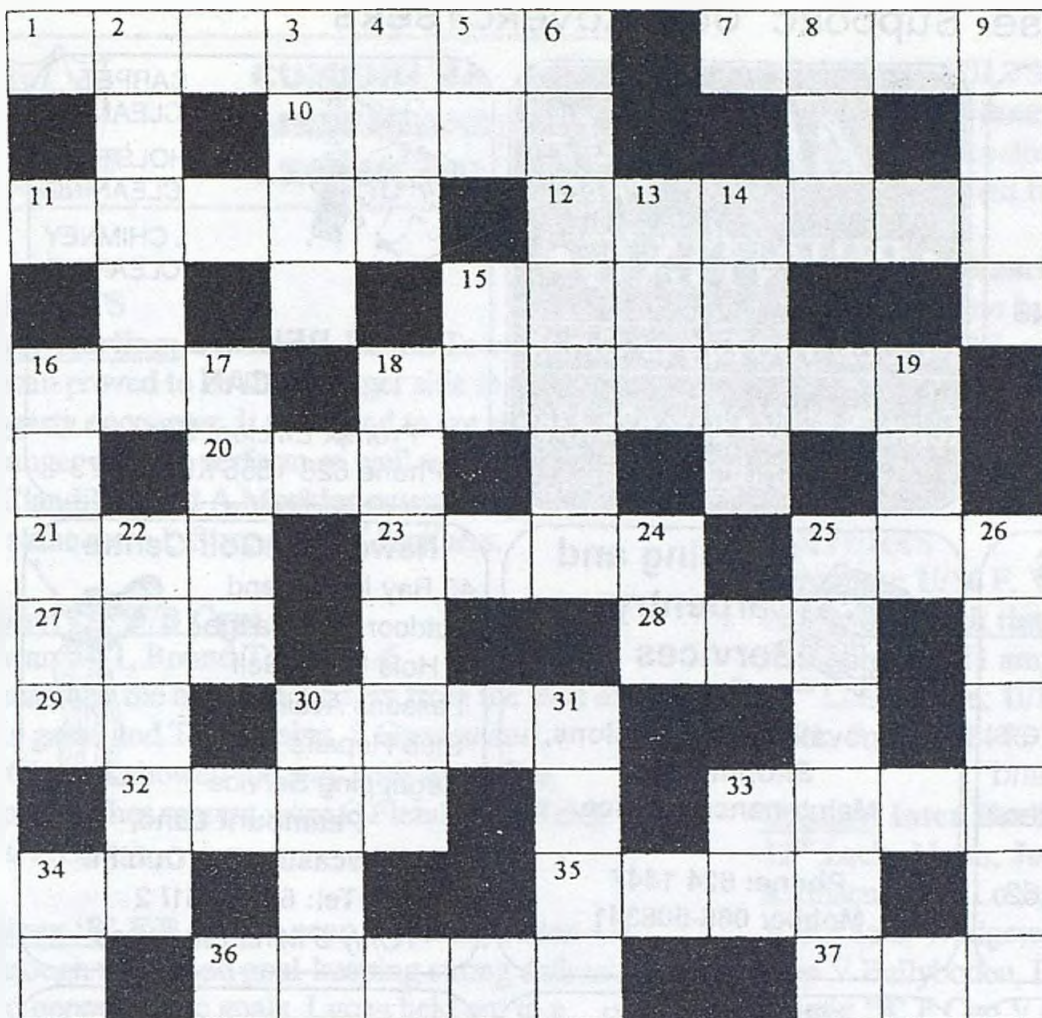

In Eden garden. – have, get, before it cloy,

Before it cloud, Christ, lord, and sour with
sinning,

Innocent mind and Mayday in girl and boy,

Most, O maid's child, thy choice and worthy the
winning.

(Gerard Manley Hopkins)

CUMANN NA SAIRSEALAIGH LEAMHCAIN

RESULTS

Inter Hurling: Lucan 6-7, Round Towers 0-4
Lucan proved to be the stronger side in this Corn Fogarty encounter. It was good to see the younger players perform so well with C.Dooley, F.Clandillon and A.Mockler outstanding. Others to shine were L.Strong and T.Smithers.

Minor 'A' F/B Cup:

Lucan 2-11, Round Towers 1-6
Lucan had the better of Towers from the start of this game and T.Cummins, S.Gannon and G.Gleeson showed the way with some fine scores. Other scorers were C.Fleming, D.Reidy and P.Casey.

Minor 'B' F/B Cup:

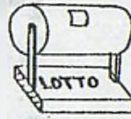

Lucan 6-3, Ballyboden 4-4
Through very good goal-keeping strong defence and opportunistic goals, Lucan held out in a tough encounter to maintain their excellent winning sequence. Scorers; N.Flynn 1-3, D.Touhy and S.Dunne 2-0, C.Russell 1-0.

Senior F/B Challenge:

Lucan 5-5, St.Brigids 3-11
Even with a very much depleted side, Lucan drew this game with St.Brigids. It was a good job D.O'Brien had his shooting boots on as reports have it that the opposition missed a hatful of scores.

NOTES

Good luck to Sean Quinn who has been drafted in to the Dublin Minor Hurling squad.
We hear Mick Casey played a great game with Dublin in O'Byrne Cup final on Sunday last.
Lucan Minor Hurlers had a very comfortable win over Dublin U/16's also on Sunday last.
Interesting to note that Lucan did not even rate a mention in J.J.Barrett's 'Evening Herald' column on Tuesday last when he did his 'predictions' for this years C/ship. We must be worth a flutter at 25/1.

WESTON HOCKEY CLUB

Men's Section - Pembroke 3, Weston 1sts 0. YMCA 1, Weston 2nds 2.

Ladies Section:

The 2 Ladies teams played Loreto last Saturday one home and one away. The home game featuring the Ladies 2nds, saw Loreto winning by 3 goals to 1, Westons goal scored by Lynn Taylor. The 1sts were most unlucky to lose by the only goal of the game scored midway through the second half, the ball glancing off a defenders stick into the net. Weston pushing up for the equaliser left gaps at the back, Linda took the ball off the line and Annemarie, Westons goalkeeper, brought off 3 great saves to deny Loreto.

LUCAN WALKERS

As in writing these notes to the walkers I'm realising its one of my favourite months. March, many weathers. Mothers Day soon, and Mini Marathon day just around the corner. so girls make your mind up, come join us, especially if you are new in the area, it's a great way of making friends and we have such beautiful walks up the canals, St.Catherine's, Tubber Lane to name but a few.

Our evening walks will commence 2nd April. We meet Tuesday and Thursday at 7.30 pm at Esker Catholic Church on the Newcastle Road, just before Superquinn.

Our morning walks will continue as usual every Tuesday morning and Thursdays at 9.30 am at same place as above.

Our walking club has no fee, its fun, free with fresh air, finding walks and friendships along the way. Yes, girls, feel the fear and do it.

Get well wishes to Joan Long and a speedy recovery to Eithne Ranken who had a lucky break, not forgetting Marie and Eugene celebrating their 25th. Kilkenny will never be the same. Best wishes from us all.

HILLCREST A.F.C.

Our fixture list last weekend was decimated due to the inclement weather. Three fixtures survived as follows:-

Leinster Senior League Major 1:

C.I.E. Ranch 2, Hillcrest 1

We conceded large advantage due to weather conditions and opened the scoring in 20 mins. with a powerful long range shot from Anthony Malone. Our opponents equalised ten minutes from the end.

Leinster F.A. Youth Cup:

Cheery Orchard (U/18) 0, Hillcrest (U/17) 1

We scored the winner just fifteen minutes from full-time through Conor Ryan. Our goalkeeper Damien Curley was deservedly voted man of the match. A great team performance. Well done to Manager Brendan Hickey and all the lads.

U/15: Hillcrest 2, Celbridge Town 1

This was a cup quarter final played in Celbridge with both teams determined to qualify for the semi-final. Kevin Fox scored a brilliant goal to secure our place. Good displays from A.Kavanagh, P.Linton, M.Gerety, D.Wafer.

All Welcome

The Lucan Gardening Club

After a prolonged lecture on Garden Designs by Mary Keenan in our last meeting, we're saturated with enough ideas on how to plan, design and re-design a garden. With Spring before us, our accumulated gardening theories should now be put to practice! Hands on, keep those fingers dirty as Helen Dillon would say – but hopefully not only in the confines of our own gardens. Our expertise has to be shared with the larger community. With an initial 22 signatures pledging to help in the case of the Village Green, we're on to start Spring with a bang! There's movement in the Lucan Park and planting and construction should be completed soon. We'll keep you posted on this.

Meanwhile, does the proliferation of genetically modified (GM) food bring chill in your bones? Fruits and vegetable are more and more manipulated – not just by spraying and over-fertilising. We are also seeing more 'prepared' foods in our supermarkets – chopped cabbage, carrots are scraped, and quite a few vegetable in season come from the deep freeze.

It's about time and the pendulum is swinging to gardening for self-sufficiency. 1999, it seems, is the year of the vegetable. The ever popular Chelsea Show dedicates its show this year to the art of growing vegetables. Vegetable gardening is losing its image as a retired person's sport; young people are learning to do it and lively minds are getting to work on new techniques.

It is for this matter why Organic Gardening is the agenda in our next meeting. Two Lucan male gardeners (surprise, surprise) will share with us, their experience on self-sufficiency gardening from the allotments (which unfortunately were wiped out by rezoning) to the back gardens.

Date: Monday 22nd March

Time: 8.15, St. Mary's Parish Centre

Open to All: Admission £2.00
