TEMPLEOGUE TELEGRAPH EDITORIAL VOL. 2 NO. 1

DEAR READERS ,

THE "TELEGRAPH " HAS NOW BEEN IN EXISTENCE FOR  
A YEAR . DURING THAT PAST YEAR WE HAVE ISSUED 23  
COPIES , SOME GOOD SOME NOT SO GOOD , SOME AROUSED  
HEATED LOCAL COMMENT OTHERS PASSED BY QUIETLY .  
WE ARE NOW ENTERING OUR SECOND YEAR BUT I STILL FEEL  
AS I DID 12 MONTHS AGO THAT THE COMMUNITY IS STILL  
NOT AS UNITED AS IT SHOULD BE . I FEEL THOUGH THAT  
WE DID MAKE SOME PROGRESS BUT NOT ENOUGH .

I STILL FEEL THAT A COMMUNITY SUCH AS OURS  
SHOULD BE MORE UNITED AND I AM HOPING THAT 1971  
WILL BRING US NEARER TO THIS GOAL .

I WOULD LIKE TO THANK ALL OUR CUSTOMERS FOR THEIR  
SUPPORT IN THE PAST AND LOOK FORWARD TO THEIR  
CONTINUED SUPPORT IN THE FUTURE .

I HOPE ALSO THAT MORE PEOPLE IN THE AREA WILL  
WRITE IN THE TELEGRAPH EITHER LETTERS OR ARTICLES.  
LET US BE YOUR VOICE . VOX POPULI .... VOX DEI .

COLUMBAN DRIVE

When Mao expelled three of the Columban Fathers from jail in China in the fifties he little realised that it would have a practical effect on Pius X on the 5. II. 70. The 3 priests were sent to work for the Irish in Britain and there attempted to get the emigrants interested in the apostolic. It was nearly a case of an apostle or a lapsed.

Eventually they spent every Sunday speaking in churches all over England- and devised what came to be known as a Columban Recruiting Drive such as the parish experienced last Sunday

The response to Fr McCarthy's and Dr Brady's words 400 offered to help in the parish and elsewhere. The Leagon of Mary is calling to the volunteers and if we haven't got to you yet, we hope to do so soon.

Many have already agreed to help in the establishment groups in the vacinity. Leagon of Mary, Planned Living, Vincent De Paul Youth Club etc or to assist the community in some way.

Truly it shows a tremendous spirit of generosity in the parish and new some more of it has been tapped.

PATRICIANS

The monthly Patrician meeting took place as usual on Sunday 8th. Nov. when a full house discussed "The THOUGHTS OF MAO TSE-TUNG" A selection of his thoughts were published in Peking and this "LITTLE RED BOOK" is the Bible of the Maoists. It should be borne in mind that the version available here is specially produced and "doctored" for the western market and that the selections are carefully chosen from the many speeches and writings of Mao over the past 40-50 years.

There are significant gaps in the little red book --- God is rarely mentioned , as would be expected from a Marxist-Leninist . Nothing is said of the vast purges in the early fifties in which many millions perished, or the regime's efforts to set up a controlled National Catholic Church which failed. Naturally the failures are overlooked.

Some felt we could "baptise" Mao and use some of his ideas to tackle some of the social problems here . No doubt we have many genuine problems, human and otherwise : housing, industry, real poverty, low standard of living of many, emigration etc. Mao has got things moving -- four fifths of Red China's 750 million work in the countryside six days a week at the crops or at land improvement and yet they eat less than most of the world's peoples.

There is a lot of good common sense in Mao's ideas. In 1945 the party and the government accepted his views as the official policy Of the country and they are taught the way the catechism was taught here a few years ago. Each person must study Mao until it becomes part of himself . Mao has great confidence in the ability of his thought to change the whole world and this is what is happening .

Christianity also hopes to change the world . Some say that after 1000 years it has failed, where it has not yet been tried ! Mao insists again and again on the need to link theory with practise  
----- THIS WOULD MAKE US SAINTS .

oooOooo

As a footnote it is worth mentioning that a number of violent Maoists in the city have recently returned to the faith as a result of Legion apostolate towards that group .

The December meeting takes place in the committee room on Sunday 13th at 8 p.m. Subject for discussion :

"THE RESURRESTION .... FACT OR FICTION "

MINIMUM AGE 16 years.

In response to the request last Sunday for people willing to give a bit of their time to others, 400 people gave their names outside the Church! This was far more than most ever expected, and, of course, it will take some time to go through all the names: to visit the houses, to find out what time people are available, what interests and skills they have, etc.

We are very grateful to all those who gave their names - and it is understandable that many more would like to make themselves available, but quite simply cannot. But if you are ever in need of a helping hand, don't hesitate to let us know: we should surely find some one out of the 400. And if you know of anyone else in need, who would be shy of asking for themselves, let us know, and we can offer help diplomatically. In the meantime: be sure that your charity is not just towards the people you choose, but to everyone who crosses your path!

Padraig McCarthy.

# DATELINES :-

Sat. 21st Nov: We hope you didn't miss the Sale at the Pre-fabs for St Pius X Schools, which was organised by the Parents Association and the Teachers. First reports say it's the biggest yet.

Sun. 22nd: Feast of Christ, the King. If you were going to meet President de Valera or Archbishop McQuaid, you'd make sure of being ready. Are you ready to meet your king?

Fri. 27th: Youth Sodality meets in St. Pius at 7.30. All interested teenagers welcome.

Youth Club: Film tonight.

Sun 29th: First Sunday of Advent; you've probably started preparing for Christmas already by shopping, baking, pantomimes, etc; how about putting a bit of religion into this part of it too? If you can do it for Easter, you could do it for Christmas too. The readings at Mass every day from now lead up to Christmas. There are booklets on Advent in the CTS box. A bit of voluntary fasting and giving to people in need would be no harm.

Mon. 30th: Feast of St. Andrew, the Apostle: brother of Peter; patron of Scotland.

Fri 4th Dec: Cake Sale in the Committee Room at 8 pm. in aid of the Youth Club: you can bring as well as buy!

## TEMPLEOGUE PARENTS' ASSOCIATION

The next meeting of the Association will take place on Tuesday 1st December 1970 in the Boys' Library of Terenure College, at the usual time of 8.30 p.m. The subject for discussion will be PARENTS AND THE IRISH LANGUAGE. A social supper will be prepared by the ladies of the committee. The subscription will be 3/- per person to cover the cost of stationery and other expenses of the Association, including the drain on funds following the recent very successful concert for children.

The Association hopes that parents will feel free to conduct the next meeting bilingually, and people who will be making comments in Irish might for the benefit of those whose knowledge of the language may be a bit rusty be prepared to preface their remarks with a few words in English as to the point they propose to make.

The Association is negotiating with one of the script-writers of the RTE programme "Watch Your Language" with a view to his giving a short talk on the place of the Irish language in our culture. Full details of this feature of the function will be contained in the Association's usual circular, to be issued later this week.

IRISH CIRCLE FOR PARENTS: To lend impetus to the subject matter of the next discussion, plans were made for a weekly Irish circle for parents to be held in Templeogue. This is a continuation of other similar circles which were established in the early summer (for parents and children) and continued over a period of two months. The latest circle will be for parents only. No definite evening has yet been fixed, but it is likely to be on Mondays between 9 and 10 p.m. Enquiries, please, to the Hon. Secretary, Mrs. Stella Green, 3 Wainsfort Crescent, Tel 903771. The circle is to be helped by a young lady teacher from An Spideal, Co. Galway.

PANTOMIME - URGENT - PLEASE BOOK EARLY. The Association has booked a block of 100 tickets for the Olympia pantomime (Jack Cruise) for Saturday 2nd January (matinee). It is most advisable that parents book early - Hon. Secretary's name and address above. There have usually been several disappointments to families who have left over their booking until the last moment. Tickets 7/- each

PARISH PARTIES

About 150 people braved the terrible weather last Wensday night to attend Fr Diffney's party for the people of Collage and Fortfield. Those who came were rewarded by a most enjoyable nights entertainment. There wasen't room for everybody on the floor for dancing and most were content to sit and watch.

As usual, the entertainment was of a high standered, we had the old favourate, Larry and Kay Dawson, Hugh Gunn and Brian Victory, and a few new ones who proved to be equally popular Billy Lang and Walter Kane and Mrs Nuala O' Reilly on the violin Fr Diffney as usual contributed his piano solo.

A beautiful supper was laid on by the Ladies of Wainsfort, under the leadership of Mrs Sheila Flet cher.
