

ST. COLMCILLE'S PARISH NEWSLETTER FEBRUARY 1989

## CENTRE OF ATTRACTION

*Fr. Staunton and Liam Mongey shake on it!*

It was just a dream in '85, and now that dream's come true,  
Since then it caused some nightmares for Liam and all the "crew".  
They persevered and steered the Drive to raise the needed cash,  
And on the 29th of January they launched it with a splash!

The young and old are catered for in our Centre, now complete,  
There's badminton, and dancing – for those light on their feet.  
There's a Coffee Dock, there's Drama, there's a Day Room with T.V.  
There's a Youth Club and a Keep-fit Class – all for you and me.

We thank you Michael, Cormac, Liam, Paddy, Con and Pat,  
Your efforts made our Centre – we're all quite sure of that.  
And thanks to each and every one who donated generously  
Let's all be proud and show regard for our K.Y.C.C.

*Liam and Anna Mongey toast the opening of the K.Y.C.C. with Phil and Paddy Collins*

## THE DREAM THAT CAME TRUE . . .

For the past four years we have taken a deep interest in the stretch of land between the Presbytery and the School. We watched anxiously as the building slowly took shape, then suddenly, one day, it was finished. The Knocklyon Youth and Community Centre was a reality.

The opening ceremony was a splendid affair, witnessed by hundreds of people, young and old and then celebrated afterwards with tea, fizz and cakes. Everyone inspected the newly unveiled plaque which read:

**Opened by Rev. Father Staunton, O. Carm  
and  
Liam Mongey  
on 29th January 1989**

For these men it was the realization of a dream and for Liam Mongey it was one of the proudest moments of his life.

Liam is a doer and has always been one, ever since he joined the St. John Bosco Boys Club at the age of ten. 1955 was a dreary time in Ireland, money was scarce and emigration rampant. The club was a bright spot, cheerful and active and Liam loved it. He dabbled in Arts and Crafts, learned how to repair shoes and made his entry into the world of Table Tennis, eventually making Division 1 in the Leinster League. By the age of 18 he was completely 'hooked' on Youth work and trained as a Youth Leader.

Like many young people in those days he left school early. His pay helped out at home, but he continued to study by night learning Purchasing and Supply in Rathmines Tech. He then became a Store-keeper but all his spare time was devoted to the Youth League, even when he met Anna (his wife) she also became involved in the Youth movement. "I'll meet you under Clery's clock" he would say and on doing so, would whisk her off to a League match, where she

would be detailed to make the tea. "Anna is one in a million" Liam agrees. "She has never, ever complained — only to question if I am doing too much".

In 1964 he joined the Industrial Sales Division of Calor Gas where he is involved in Projects and Design of various types of Industrial Heating. He travels the country and calls on such diverse industries as Piggeries, Meat Processors and Factories. In 1970 he was married and six years later moved to Glenvara with his family. By 1977 he was up and doing again when he and Tony O'Connell set up the Knocklyon Youth Club. There were 20 members. They met once a week in the school and were later joined by Jack Begley and Pauline Doyle, who operated a roster system and took turns to supervise. As the Parish grew so did the membership. Soon there was a long waiting list. It was one day when Liam was talking to Father Staunton that the dream was born — the idea of building a Youth Community Centre, that was 1982.

Before long an introductory letter was sent to the Archbishop and soon the Trustees of the Parish Property offered them the lease on a plot behind the Presbytery.

Planning went on behind the scenes and in 1985 a great publicity drive for fundraising was started by Liam and money began to pour in; £11,000 in the first two weeks and a further commitment of £40,000. People rallied round and fundraising became part of daily life. £70,000 in grants was eventually donated by the Government. The cost in all £170,000.

"It is impossible to name everyone who gave their time and efforts to the cause" says Liam "but some have to be mentioned. Paddy Collins for instance, who for the past 12 months has daily surveyed the building, giving his full professional advice as an architect. Cormac Nagle, who looked after the pennies, Michael Coleman who is now Chairman of the Board of Directors, Con O'Grady, a great PR man, and the priests of St. Colmcille's, who gave their unending support. To all who helped in any way, we are eternally grateful".

The Centre will cater for all age groups — Aerobics, ICA, Keep Fit, Jazz Dancing, Senior Citizens, to mention but a few, but Friday and Saturday will be given over to the Youth Club, who have first claim.

Last year, Liam resigned as Chairman of the Youth Club and on that occasion the Committee presented him with a Silver Salver — a token of appreciation for his years of dedication. The Salver is now his most treasured possession. His new job is Chairman of the Knocklyon Youth and Community Centre and he is looking forward to the challenge of the future. One thing is certain, he will never get away from the young folk. "I love them" he says. "I love people — but especially kids".

**OUR LADY'S SCHOOL**

Our Lady's School, Templeogue Road, is under the Management of the Religious of Christian Education. Priority is given to the following three Primary Schools: Our Lady's Junior School, St. Pius X School and St. Colmcille's, Knocklyon. Other applications are accepted strictly on date of application. Registration takes place in Term 1 of the previous year and an Entrance Examination which is strictly *non-competitive* is held early in the following March. The wearing of the full school uniform is compulsory. The school operates a 6-year cycle – three years to Intermediate followed by a transition year and a two year Senior Cycle. The School is grant aided by the Department of Education and therefore depends on the voluntary contributions of parents for the maintenance of existing facilities. As the school seeks to create conditions in which each pupil can attain her full potential and develop her personal gifts and talents emphasis is placed equally on academic achievement, physical education, personal development programmes and music and dramatic activities. Hockey is the main school sport. Others however are involved in Basketball, Table Tennis, Badminton, Soccer, Tennis and Gymnastics. Constant links with Terenure College are maintained, facilities are shared and common projects are undertaken.

**TERENURE COLLEGE**

Terenure College is run by the Carmelite Order. The College has been in existence since 1860 and has grown over the years and today it accommodates over 1,000 pupils divided between Junior and Senior Schools. A wide variety of educational, cultural and social experiences is provided to include Arts and Science, Computer Studies, Career Guidance and counselling. Sport has always played an important part in the life of the College with spacious grounds, fully equipped gymnasium and heated swimming pool. Rugby is the traditional and principle game of the College. In the summer term, tennis, cricket and athletics are popular, while indoor sports include badminton and table tennis. If sport is not a favourite, there are also chess, computer and photography clubs. It is advised to apply at least one year prior to entrance. The school is fee paying (currently £660 p.a.) There are six years to the school cycle to include a transition year. Uniform is compulsory. There is an entrance exam for assessment purposes.

It is with great regret that at the end of February we will be saying good-bye to Julie Stein who has been the Captain of the Knocklyon Guide Company for many years. She is getting married in April and will be moving to live abroad. Julie has given hours of her time, expertise and caring to hundreds of girls in the parish who have been members of the Guide Company. She has brought fun, laughter and learning into their lives through Guiding.

Julie will be missed by us all and we would like to express our deepest gratitude to her for all she has done for Guiding and Guides in the parish. We wish her every happiness in her future married life.

Because Julie is leaving, the Company is looking for a new leader. We require at least one leader who is over 21 years of age and all leaders should be over 17 years. There is no upper age limit. The only qualifications required are that the leader should be able to enjoy working with a bunch of pleasant girls, enjoy an active lifestyle or be able to encourage others into one and be able to have fun. If anyone thinks they might be able to offer help to keep the Guide Company going please contact Julie Stein (905803) or any member of the Guide Company.

The Lord invites you to pray at the annual  
**NOVENA OF GRACE**

**ST. VINCENT DE PAUL SOCIETY**

*DO YOU NEED HELP?*

There is a St. Vincent de Paul Society in your parish and it is here to help you. Nowadays we find that with redundancies there is a greater need for our services to help cope with increased financial worries and with advice.

We promise you total confidentiality and should you wish, we will meet you wherever you like. Just telephone or write to our headquarters in Cabra Road, 384164/384167, giving your name, address and telephone number and we will then get in touch with you as soon as possible – *again we stress absolute confidentiality.*

Did you know that there is now installed in St. Colmcille's Senior School, a monitor to gauge the smog level, etc. in the area – a positive and rather ominous sign of the times? I understand it is a sophisticated and expensive bit of equipment, a project promoted and funded by Dublin County Council.

I saw it for the first time when visiting one of the 3rd classes and these same young Knocklyoners were by no means unaware of the problems. They could tell me for instance, that at least some of their homes were now consciously burning smoke free fuel. They were familiar with the present increasingly accepted theory, as to why the current winter is the warmest since records began over a hundred years ago – the so-called "greenhouse effect", namely that gases, released when burning fossil fuels, such as coal and oil are accumulating in the upper atmosphere. This in turn traps the heat that would otherwise radiate into space.

They knew too about another major possible consequence, if this warming effect were to continue. It would result in a significant rise in sea level, caused by melting ice and snow in polar regions reducing the land area of low lying countries like Bangladesh by as much as two thirds.

Which all might add up to reminding us, that God's beautiful creation was given us to enjoy, not to destroy. "When I see the heavens, the work of your hands, the moon and the stars which you arranged, what is man that you should keep him in mind, mortal man that you care for him? Yet you have made him little less than a god; with glory and honour you crowned him, gave him power over the works of your hand, put all things under his feet. All of them, sheep and cattle, yes even the savage beasts, birds of the air, and fish that make their way through the waters. . ."

*Pat Alan Fitz*

On a recent visit to the Church, a lot of laughter and clinking of cups was overheard by our local reporter! Entering the sacristy, no priests, no altar servers and no vestments in sight, just lots of happy chatty ladies, plates of cakes, china cups and pots of tea. "Is this the new coffee dock?" "No, we're the Friday morning cleaners."

**OUR GIRLS FRIDAY!**

The A.G.M. of the Parish Council will take place in the Parish Centre on Thursday 16th February at 8.00 p.m. As the Parish Council is directly responsible in assisting the priests in the liturgical, financial and social life of the parish, we would like as many as possible to attend this meeting.

## THE BIG DAY

Con O'Grady welcomes one and all to the new Community Centre. Amongst those present were Mr. Liam Cosgrave and his wife Vera, members of Government and Dublin County Council and other celebrities. Throughout the afternoon entertainment was provided by the Templeogue College Band. Refreshments were in plentiful supply, thanks to the Ladies Committee. All in all a day to remember — Well done to everyone involved.

*Fr. Joe was in a good mood too!*

## KNOCKLYON BRIDGE VICTORY

Knocklyon Bridge Club were worthy winners of the Inter-Club Team of 4 competition, which was hosted by Templeogue Bridge Club on Friday 3rd February. Teams from Ballyroan, Templeogue, St. Judes and Knocklyon took part. Each club had 5 teams participating and the bridge was both competitive and enjoyable. Well done to all concerned.

## 'HOUSE FOR SALE'

With the current hype on property, we asked some local auctioneers (our advertisers) what is the current situation with houses in Knocklyon? The answers will make you blush — little did you know what a sought after area you live in.

Knocklyon is so popular because it is such a well serviced area, near schools, shops, bus routes and church. Proximity to the Primary Schools is an excellent selling point according to Mary Dillon of MacCarthy Auctioneers.

Of course none of these facilities were here when the first housing estate was built — Knocklyon Woods — in 1973. The 3 bed semi with garage cost £7,575 and the dearest in the development only a few thousand more. Those were the days when Mass was said in the McInerney canteen located in a pre-fab in the Delaford Park area.

When we asked J.B.N. Greene & Co. how long it took to sell a house in Knocklyon, "Days" was the enthusiastic reply — "We cannot get enough houses to satisfy the demand".

The demand comes from all types, but two groups come to the fore. The first being second generation Templeoguers and the second are people already in the area moving for more living space.

All the auctioneers agree that home improvements will not add a lot to the price of your house but it will help to sell a house quicker. People should also bear in mind that the comfort gained by such improvements pay for themselves over a few years.

Three bed semi houses that were selling for £35,000 two years ago are now fetching £40,000 and this figure can be negotiated upwards depending on the condition of the house. Four to five bed semis are reaching up to the mid £60's and the large detached houses around £70,000.

Tempted to sell — well, you'll have no shortage of advice from the local auctioneers who seem to have the whole area of Knocklyon up on a pedestal. Think about it seriously before you do and Good Luck!

## YOUNG ONES ONLY . . .

Hi Everyone,

How is it going? Some of the teachers were talking to me the other day. They were a little bit upset. You see most of the school books, the Irish, English and Religion books go through the whole year. They begin in Autumn with the leaves falling off the trees and go on to tell of Halloween and so on. The parts of the books they were supposed to be using now are all about winter. They show pictures of snow covered houses and snowmen and snow-women and long icicles and children with long wooly scarfs and hats. But there has been no snow as yet anyway and the weather has not been all that cold and flowers are already coming up in the garden — snowdrops and crocuses and daffodils — the birds are singing and the grass is growing. What are the poor teachers to do — it seems silly to talk about snow when there is no snow and it's not even cold. Some people are saying that Zig and Zag are in charge of the weather now! I hope that is not true because if it is goodness knows what might happen — snow in the middle of July — a heat-wave in November and worse. I want you to draw or paint a picture or write a short story or poem about what you think it would be like if Zig and Zag were in charge of the weather.

Please send me whatever you do as soon as you can — just put it in an envelope, write Fr. Joe on it and leave it up to the Presbytery — the house beside the Church.

That's all for now.

*Lots of love,  
Fr. Joe.*

*Zig and Zag are in charge of the weather.  
I don't believe it!*

*Fr. Paul Graham, O.Carm. visited recently on the Feast of St. Blaise. Seen here with Ciarda Ryan and Brendan O'Hanlon from Miss Duffy's class, Senior School.*

## HOTLYON!!

### Senior School News

Congratulations to the School Choir under the baton of Miss Creamer. They sang beautifully and were only just beaten into second place at the Feis in Our Lady's College. They are presently engaged in vigorous rehearsals for a concert in U.C.D. on March 15th as part of the National Childrens Choir 1988-89.

Congratulations to Senior School girls Joanne Kelly, Lisa Kelly, Nicola Dowling, Aisling and Gioacchino Farinella who recently starred in the excellent production of "West Side Story" in Sancta Maria College.

Mr. P. O'Neill - Knocklyon's aspiring Cyril Farrell says hello to all his admirers in the parish!

### Big Day!

His Grace, the Archbishop of Dublin, Dr. Desmond Connell will visit the parish on March 4th, to officiate at the Confirmation of 160 children.

### Going Dutch!

Forty-five children from the Senior School left on February 15th for a 5 day tour of Holland. We hope to hear more about their travels.

### Get well soon!

We wish Mr. S. O'Neill, who has been re-admitted to hospital for another operation, all the best and a speedy recovery. All his pupils in the senior school miss him.

### Take a letter!

School Principal Mr. Kelly has a new full time secretary. Mona Moran is his personal organiser and is most welcome.

### Back to school!

Nice to see some past pupils returning for the after school study sessions.

## WINNERS

Congratulations to:

June Nolan from Beverly who once again won the Ladies Senior title at the World Solo Drumming championships in Glasgow.

Frances McCarthy from Scholarstown who won £15,000 in the National Lottery's Wheel of Fortune Game.

## NEWSLETTER INFORMATION

Items and advertisements for inclusion in the March issue of the newsletter should be handed into the Presbytery by Monday 6th March. The newsletter will be circulated from 16th March. For information re advertising phone **PAT at 947493.**

## EUCCHARISTIC DEVOTION

Exposition of the Blessed Sacrament takes place in St. Colmcille's Church on the Thursday preceding the 1st Friday of each month - 7.30 to 8.30 p.m. Benediction will take place after the 7 p.m. Mass on the 1st Saturday of each month. All are welcome.
